## Gold Jubilee Announces Mr. James Currie as President

**Vancouver, British Columbia** – May 3, 2016 – Gold Jubilee Capital Corp. (TSX-V:GJB) (“Gold Jubilee” or the “Company”) is pleased to announce the appointment of Mr. James A. Currie as President of Gold Jubilee. Mr. Currie will be leading the team in advancing its highly prospective copper gold porphyry target in Northern BC, as well as finalizing and advancing the recently announced copper gold exploration project in Serbia.

Mr. Currie states, "I am pleased to be joining a group of proven mine finders and am looking forward to our planned exploration programs in Northern BC and Serbia, two areas with excellent copper and gold potential."

Mr. Currie was most recently the Chief Operating Officer of Pretivm Resources leading the development of the company's Brucejack high-grade gold asset in British Columbia. Previously, he led the construction and development of New Gold Inc.'s New Afton gold mine in B.C., which went into production ahead of schedule in 2012. Over the course of his 34-year career in the mining industry he has held roles in senior management, engineering and operations, on a number of projects that have progressed through feasibility to successful operation on schedule and budget. Mr. Currie holds a Bachelor of Applied Science degree with honours in mining engineering from Queen's University and is a registered professional engineer.

Mr. Currie will be granted 400,000 options at a price of \$ .23 per share with a five year term.

Mr. Minaz Devji, CEO, states, “We are pleased to announce that Jim will be joining the company as our new President. His extensive experience will be invaluable in helping guide the company into the next phase of its growth.”

### **About Gold Jubilee Capital Corp.**

Gold Jubilee Capital Corp. (TSX VENTURE:GJB) is a Canadian-based junior exploration company comprised of highly qualified mining professionals with one active copper-gold exploration project, the Pyramid project, located in northwestern British Columbia.
